Fake Money

with fake money you get honey
with fake money you get horny

you get credit to get honey
repay the credit with your life

DESTROY THE FEAR

with fake money you get honey
with fake money you get horny

with fake money you get meat
with fake money you get need

with fake money you get peace
with fake money you get a weapon

everyone wanna have money
nobody wanna give

DESTROY THE FEAR

with fake money you get time
with fake money your time goes by

with fake money you get attracted
with fake money you get distracted

with fake money you get all you desire
with fake money you get a lie

money is not rare
but courage for courage
and courage for knowledge

there is no lack in the world
just as fear in the brain of people

with fake money you get honey
with fake money you get horny

with fake money you get friends
with fake money you get no love

without money you are a loser
with a lot money you are a loser, too

rich rich rich
try to reach a dream you never can reach

now you work for fake money
later you pay for your misused body

with fake money you get honey
with fake money you get horny

destroy the fear
have courage for courage and knowledge
and don't believe the magic of money
be generous to yourself and to everyone

the real suffer is fake money that gives you honey

You Are You

you can walk
you can run
you can jump
you can swim
you can talk
and you think
so you can decide -- what you want to do

because you can walk
because you can run
because you can jump
because you can swim
because you can talk
because you think
you can decide -- who you want to be

you are you
it's all in you
it's all in you
it's all in you

forget what they told you
forgive them
make peace

you are you
you are you
you are you

because you can walk where you want
because you can run in all directions
because you can jump how much you can
because you can swim in the sea
because you can talk what you think
and you think in your mind
you can decide -- what ever you want to do

I can learn everything
I can fly
